DEVELOPMENT APPLICATION CHECKLIST

Basic Requirements		Check, if provided	Office Use Only
1	A completed application form, project description letter, and checklist(s)		
2	Application Fee		
3	State of Title of Certificate (current within 60 days)		
4	Copies of covenants, rights of way, easements registered on the Title		
5	Permission of the Registered Owner(s) (signature on application form or letter of authorization)		
6	Proof of ownership of the company on certificate of title (if applicable)		
7	Site Profile Form, if applicable (available from the Development Services Department or at www.ladysmith.ca/business-development)		
8	Riparian Area Assessment Report, if applicable		
9	Survey for the subject property (completed by a B.C. Land Surveyor)		
Site Plan - Data Sheet Provide these items in the form of a data sheet on the site plan. Use metric dimensions.			
1	Architect/Designer (phone/fax number/email address)		
2	Name of Registered Owner(s)		
3	Address of subject property (civic address and legal description of property)		
4	Site Area (from a site survey)		
5	Parcel Coverage		
6	Floor Area / Number of Dwelling Units		
7	Floor Space Ratio		
8	Building height and number of storeys		
9	Landscape requirements (shade trees and landscape buffers)		
10	Off-street parking calculation (vehicle, loading, and bicycle)		
11	Development Permit Area, if applicable		
Site Plan (1 full size, 3 reduced (8.5 x 11), digital) Provide these items on the site plan. Use metric dimensions.			
1	North arrow, scale, date of plan		
2	Dimensions (based on the BCLand Surveyor survey for the subject property); and show all property lines, rights of way, easements, and/or covenant areas		
3	Detail to show compliance to the Zoning Bylaw regulations for the subject property		
4	Location, number and dimensions of all off street parking and loading areas		
5	Existing and proposed vehicle, pedestrian and bicycle access points to the site and off street parking and loading areas		
6	Water bodies, water courses, contours, and other significant natural features including grades (overlay RAR and/or SPEA areas if applicable)		
7	Works & services improvements adjacent to the development site such as sidewalks and street trees etc. (contact TOL Engineering Dept. 250.245.6445)		

Elevation Plans (1 full size, 3 reduced (8.5 x 11), digital)		Check, if provided	Office Use Only
1	Average, existing and finished grades		
2	Building height (B.C. Land Surveyor height survey may be required)		
3	Building elevations, including window and door details		
4	Dimensioned walkways and surface treatment		
5	Exterior finishing materials and colours (sample board)		
6	Streetscape sketch showing project relationship to neighbouring properties/ context		
7	Coloured rendering (building massing/perspective & landscape plan)		
8	Design rationale		
Landscape Plan (1 full size, 3 reduced (8.5 x 11), digital)			
1	Detailed plan showing retained trees, new plantings, shade trees and landscape buffers (including species, size, quantity, location, irrigation, finished grade)		
2	Surface materials, including paving treatment		
3	Site signage and lighting		
4	Final grading plan and location of retaining walls (with height and material details)		
5	Outdoor structures, including recycling/garbage enclosure, fencing		
6	Cost estimate for completion of landscaping from a Landscape Professional. (Security will be required prior to issuance of a development permit.)		
Signage Plan (1 full size, 3 reduced (8.5 x 11), digital)			
1	Size, type and location of sign(s) and/or canopy (Refer to the Sign and Canopy Bylaw)		
2	Appearance details, including materials & paint /colour samples (signs and canopy)		
3	Coloured renderings (showing sign and canopy design and locations)		
Engineering (1 full size, 3 reduced (8.5 x 11), digital)			
1	Engineering and serving pre-design submission		
2	Final grading plan - from property line to property line showing landscaping, building elevations and grade implications to adjacent properties and the street		
Reports/Studies/Other (2hard copies, digital)			
1	Traffic study		
2	View study, shadow study		
3	Heritage or archaeological assessment		
4	See the Community Amenity Contribution (CAC) policy for rezoning applications		
5	Describe green building and design features that are proposed in the development		
6	Impact study (economic, environmental, infrastructure, CPTED)		
7	If a public meeting was held, provide a complete summary of comments heard and describe how the development proposal responds to neighbourhood interests.
