City Hall

Council Chambers

410 Esplanade, Ladysmith

What is It?

If you are interested in learning about local government or maybe thinking about running for Council, plan to attend our Election Workshop.

Participants will hear insights from former Councillor Jan Christensen, get an overview from the Chief Administrative Officer of the current strategic priorities and how the Town works, and learn details about the October 20 local government election.

This is a good opportunity to find out how the Town of Ladysmith works, and to learn what it might mean to run and serve on Council.

Who Should Go?

This event is for anyone who wants to learn about the October 20 local elections, who might be thinking about running for Council, or who would just like to know more about how the town of Ladysmith operates.
