

ADVENTURE ZONE DAY CAMP

PARENT HANDBOOK 2021

Welcome to the Ladysmith Parks, Recreation & Culture Adventure Zone Daycamp!

We look forward to getting to know both you and your child. Adventure Zone is dedicated to creating a safe, fun, positive, and exciting atmosphere for your child. In order for us to provide a happy and safe daycamp experience, we ask that you please read through this handbook thoroughly and ensure all proper preparations are made. Thank you for choosing our daycamp!

Registration Information

An **Emergency & Profile Form** must be completed when registering for any camp facilitated by Ladysmith Parks, Recreation and Culture. **To allow for planning and administrative purposes, only weekly registrations will be accepted.** The Emergency & Profile Form provides our team with information to best ensure a safe and enjoyable summer for your child(ren) - to allow time for staff to review the form, we ask that you complete the form as soon as possible and at least one week prior to the camp start date. The **Emergency & Profile Form** is available ONLINE at www.ladysmith.ca/adventurezonedaycamp or we can arrange to have it emailed to you. Printed copies are also available from the Frank Jameson Community Centre. Please complete the form and email it to camps@ladysmith.ca or return a paper copy to the FJCC.

Participants with Diverse Needs:

Parents/guardians must indicate on the **Emergency & Profile Form** if their child has an EA at school, qualifies for funding through Supported Child Development, and/or has extra support needs. If yes, he/she will require an aid at Daycamp. Please note that parents/guardians of children with known support needs must disclose their child's needs prior to enrollment. Failure to do so may result in termination of services. Please contact the Supervisor by email at camps@ladysmith.ca or by phone 250.245.6424.

Participants Requiring Medication:

Please be sure the section on the **Emergency & Profile Form** is clearly filled out with all necessary details pertaining to your child's medication. If your child requires medications to be administered during camp, a completed **Permission to Administer Medication form** and/or **Emergency Medical Care Plan for Anaphylaxis/Asthma form** is also required. These are available online at www.ladysmith.ca/adventurezonedaycamp or in person at the FJCC.

Health & Safety:

The following protocols are in place to ensure your child's safety at camp:

- Staff and Camper daily health screening
- Limiting exposure to other adults at sign-in and pick-up
- Lower camper registration numbers and higher leader ratios
- Weekly registrations; minimize exposure to more families by eliminating daily registrations
- Physical distancing measures
- Individual camper spaces
- Hand washing/sanitizing frequently
- Encouraging respiratory hygiene; tissues and coughing into the elbow
- Intentional focus to "minimize contact" in all activities
- No personal items (toys, stuffies etc) brought into the Daycamp spaces
- Frequent cleaning and sanitizing of Daycamp spaces and high touch areas
- No sharing of food
- Children will have a buddy when using the washroom. Both will be required to hand sanitize before rejoining the group.

- In case of accident, staff will contact the parent so the child may be taken home.
- If your child becomes ill at camp, they will immediately be separated from the group and you will be called to come and pick them up immediately. If your child is sick, you will need to have your child home from camp for 10 days prior to returning to camp. If the child is assessed by their family physician or nurse practitioner and it is determined that they do NOT have COVID-19, they may return to Daycamp with a medical note once symptoms resolve.

Come Prepared:

Daycamp Gear - Please send your child(ren) with a **manageable backpack** containing the items listed below:

- Water bottle
- Healthy lunch & snack ***Daycamp is a PEANUT/NUT FREE zone!***
- Swimsuit & towel
- Spray sunscreen & hat
- Weather appropriate clothing and a change of clothing
- Proper footwear for an active day (flip flops are not recommended)
- Water shoes/sandals (for summer daycamp at Transfer Beach)

Labelling all items with your child's name is required

Valuable Items - Please leave all valuable items and personal electronic devices, including cell phones and games at home. Town of Ladysmith employees are not responsible for lost, damaged, or stolen items. Due to Covid-19, NO personal items outside of daily camp requirements can be brought to camp.

Sunscreen Application - Please apply sunscreen to your child before summer daycamp drop-off. Leaders can only apply spray sunscreen on participants.

High Five Trained Staff:

HIGH FIVE is the standard in BC for those who manage and/or lead sport and recreation programs for children aged 6-12 years. The HIGH FIVE system is designed to specifically support the safety, well-being and healthy development of children in sport and recreation settings. The HIGH FIVE mission is to ensure that recreation and sport practitioners develop a high level of knowledge and expertise in child development and provide them with the tools for enhancing and maintaining a high level of program.

Guidance:

Adventure Zone Daycamp staff use guidance methods that help children learn to control, modify, change and maintain desirable behaviour. These positive methods include natural and logical consequences, redirection, praise, encouragement, modeling, consistency, and good communication. "Go for Greens" is in place to ensure consistent consequences:

- Green is for GREAT! Children receive recognition and reinforcement for positive behaviour. Children may receive a green ticket that can be used to enter a weekly draw prize.
- Yellow means YIKES! When Leaders need to intervene to remind and reinforce behaviours, they will provide the child with a "yellow slip". The Leader will discuss the problem with the child, remind of the rules, redirect, model problem solving and provide opportunities to make amends. 3 "Yellow" slips in one day may result in the parent being called for pick up.
- Red stands for STOP! When Leaders need to intervene because of dangerous behaviour, they will provide the child with a "red slip". If a child receives one or two red slips discretion can be used regarding sending the camper home depending on the severity of the behaviour. The Leader will speak to the parent at the end of the day.

Drop-off & Pick-up Times:

For each location there will be a sign-in table where parents verbally sign in their children and drop them at Daycamp. Physical distancing cues will be in place to allow families to smoothly precede through drop-off and pick-up. Sign-in is at 9 am and pick-up is promptly at 3p.m. No early birds please, and prompt pick-up is very important! When you arrive, you will need to wait in queue until the staff are ready to have you signed in or out. Please allow for enough time before your next appointment. We appreciate your understanding and patience through this process. After 15 minutes, you will be charged \$1 for each minute you are late for pick up.

Where a parent is unable to pick up prior to closing, it is the parents responsibility to:

- Contact an emergency contact to arrange for alternate pick up and to advise this person that they may be asked to show photo ID
- Contact the daycamp staff to advise of the change in routine by calling your camps location cellphone (number provided at drop-off).

CAMPERS CODE OF CONDUCT

NAME OF CAMPER: _____

This code of conduct is to ensure Campers understand the new procedures at Ladysmith Parks Recreation and Culture Adventure Zone Daycamp to keep themselves, other campers and leaders safe and to have a positive time at camp!

Please read through this list with your child and ensure they understand each point. Once you have done so, please have both you and your child sign and return.

In order to keep a positive safe environment at Adventure Zone Daycamp we:

- Respect others' personal bubbles by not getting inside their 2m space, keeping our hands, legs etc to ourselves at all times.
- Respect others' personal belongings by only touching our own belongings and not others including backpacks, lunch kits, water bottles, first aid kits, leaders fanny packs, daycamp trolley, leaders radios, the bluetooth speaker, etc.
- Keep our personal things neat in our designated space to make moving through the space easy for everyone.
- Follow the designated direction signs for moving through spaces.
- Follow the instruction of leaders.
- Take care when washing and hand sanitizing to ensure our safety and our fellow campers and leaders.
- Hand washing will take place each time before and after new activities, before and after eating, after going to the washroom (including buddy), upon arrival at camp and before leaving camp.
- Practice safe cough/sneeze etiquette by doing both in our elbows or a tissue and washing our hands directly following either.
- Even if we are siblings, we respect that in these times (COVID-19) we are allowed to be close but we respect that each of us stays in our own bubble at camp.
- Be kind to one another by respecting each other by being inclusive. We don't name call.
- Listen carefully when the leaders are talking - to be respectful, no one else should be talking.
- When playing games, listen carefully to the directions. Games are new and the way we will play is new. We will do our best to remember our personal space and have fun playing.
- Keep to the ground - there are no climbing trees, the shelters, goal posts, tables, chairs etc.
- Stay within the boundaries - the boundaries are established by the leaders (in general we stay where we can see the leaders).
- Use a buddy system when going to the washroom. We find a buddy, tell a leader where you are going and tell the same leader when you are back. And, we will both wash our hands after using the bathroom, even if I'm the buddy.
- Only eat your lunch packed by your parent(s)/guardian(s) - no sharing food(siblings included), and no food trucks.
- Have our behaviour encouraged by the Go For Green method. Green = GREAT (entered in a draw for a weekly prize) Yellow = YIKES (3 yikes means the leaders will call parents for pick-up). Red = STOP (may be sent home). So we Go for Green!
- WE HAVE FUN!
