Aquatic Visits

Length Swims

Kick start your day with some early morning laps or get your kilometer of lengths in at lunch during our length swims. There will be four lanes; casual, slow, medium and fast. Please pick the lane most appropriate for your swim speed.

Therapy Swim

If you need the warmth of the Therapy Teach Pool to loosen up your muscles, decrease the gravity on your joints, to work on pre or post-surgery exercises or just to get in some unassisted walking with the support of the water then the Ladysmith Therapy Swim is for you.

Please note: if you require assistance to and from the change room or in and out of the pool, you will be required to have an aid with you to assist you.

Parent and Tot Swim

Do you have a tiny human who needs to burn off energy in the morning? We have just the thing to make that happen while having fun in the pool! The Parent & Tot swim is geared towards children not yet school aged and their caregiver.

Everyone Welcome Swim

A great time to enjoy the main pool and the therapy pool, diving board, climbing wall and slides. No length swimming during this time.
