Attention Mayor and Council:

Regarding the development of 41 Lots on Russell Road

A portion of this property which belonged to the Rutti family was designated a park for the people and their families in the area to enjoy.

The Rutti family ("100 year pioneers on Russell Road") have fifteen living generations, one of which is still living, Mrs. Ethel Rutti, at 97 years of age. The family would very much like to leave a legacy and have the park named "Oiva Rutti Park".

The neighbours and people using the park would like the Mayor and Council to seriously consider with respect to the Rutti family their wish to name the park "Oiva Rutti Park".

Yours truly,

Bill and Sheila Andreychuk  
43 years on Russell Road

APPLICATION TO NAME PARK, OPEN SPACE, FEATURE/AMENITY OR FACILITY

Applicant (Individual or Group Name): Sherila Andruychuk

Address: 801 Russell Rd. Ladysmith

Telephone: (250) 245-7217 Email: amygirl@telus.net

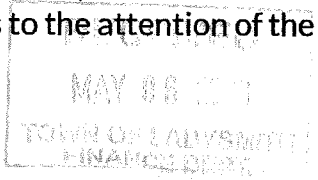

Location of park, open space, park feature / amenity or facility to be named:  
Sunnright off Russell on to the end of  
Rochevale Rd

Proposed Name: Ruttie

Background information describing the accomplishments and or legitimacy of the name designation:

To name the park Russell Rd Park is most  
unfitting.  
The land that was designated a park, by the  
developer belonged to the Butti family  
for 100 yrs. Its most fitting it be named after the  
family  
The land where the Tom Wickham Park is,  
belonged to the Wickham family  
Talking to many people who frequently use  
the Park, agree it should be The Butti PK.  
Also we all hope the town will place a  
sign like the Tom Wickham Park at the  
extension of Rochevale Rd entrance to the Park.  
Thank you.

Please include supporting documents, letters of endorsement and petition if applicable and return to the below address to the attention of the Director of Parks, Recreation & Culture.
