

Late Agenda Item

Regular Council Agenda July 8, 2025

Recommendation:

That Council amend item 7.1 of the agenda to:

- Split the recommendations in Item 7.1 into two separate items (7.1.1 and 7.1.2);
- Amend 7.1.2, by replacing the word “approve” with “defeat”; and
- Add a third recommendation (7.1.3), if necessary, as follows:

7.1 Parks, Recreation & Culture Advisory Committee - June 18, 2025

7.1.2 Recommendation:

That Council **defeat** the following recommendation from the Parks, Recreation & Culture Advisory Committee:

1. That the proposal for an emergency access through Brown Drive Park, be referred back to the Committee with the following additional information:
 - a) Further information on the viability of the Alternative Emergency Access route over adjacent lands;
 - b) A presentation from the Engineering and Fire Departments on preferred standards for the proposed access through Brown Drive Park; and
2. That any access developed through the Brown Drive Park have a limited “one-lane” footprint, with minimal turnarounds and similar features intended primarily for vehicle use.

7.1.3 Staff Recommendation:

(To be considered only if 7.1.2 is approved as amended):

That Council direct staff to advise the owner of the Malone Road development to provide documentation to staff for Council’s consideration, that all other options for the emergency access road over adjacent lands have been exhausted.
