Election Signs on Provincial Highway Property (Trans-Canada Highway)

It is the responsibility of each candidate to ensure they are following current guidelines. It is recommended that MOTI be contacted to confirm current requirements. The Ministry conditionally allows posters or signs on highway rights-of-way. Please see the following excerpts from the MOTI website (Election and Referendum Signs and Posters Policy) regarding procedures:

Election signs must:

- Only be installed by an individual or organization that is registered with a Municipality, Elections BC or Elections Canada to sponsor advertising, such as a political candidate, political party, registered advertising sponsor, a proponent or opponent, or an authorized participant.
- Identify the owner of the sign, and a BC telephone number or BC mailing address at which the owner may be contacted.
- Only be installed during the campaign period as established by Elections BC for local elections, or by the drop/issue of a writ for federal/provincial government elections and must be removed on the day following the end of the electoral event.
- Be further from the road than standard traffic signs.

Election signs must not:

- Obstruct, simulate or be attached to any traffic control devices (e.g. signs, sign posts or traffic signal poles).
- In any way pose a traffic hazard.
- Be placed on bridges, overpasses, tunnels or other highway structures.
- Belong to unregistered individuals or groups (i.e. any group or individual that is not a political candidate, political party, or other authorized participant registered with Elections BC, Elections Canada, or a Municipality as required).

Removal of Signs

Signs in contravention of this policy will be removed from the highway right-of-way by the ministry.
