

NOTICE OF CONSTRUCTION

Colonia Dr. & Delcourt Ave. Sidewalks & Traffic Calming

April 4, 2023

Dear Resident:

The Town would like to inform you that as construction proceeds, driveway access will be restricted for at least 7 days each time concrete is placed across your driveway. This includes curbs & gutters, sidewalks & driveway replacements.

Concrete curbs along Colonia Drive from Malone Rd to Delcourt Ave are scheduled to be placed starting Tuesday April 11th, 2023.

Please, park your vehicles outside the construction zone between the hours of 7am to 5pm on weekdays.

Garbage/Recycling/Organics Collection

Please continue to place your garbage/recycling/organics containers at the curb/boulevard for collection.

We understand the construction will be an inconvenience for you and will do our best to minimize the disturbance. If you have questions about the project, you may contact the undersigned at Infrastructure Services, 250-245-6442 or email me directly at iadams@ladysmith.ca.

Regards,

Ira Adams, ASCT
