LADYSMITH

Addendum #1: Request for Proposal No. 2021-IS-05

2021 Smoke Testing, MH Inspection and CCTV Program

Issued: September 24, 2021

This addendum shall be read in conjunction with and considered as an integral part of the Request for Proposal (RFP). Revisions supersede the information contained in the original RFP. No consideration will be allowed for any extras due to any Proponents not being familiar with the contents of this Addendum. All other terms and conditions remain the same.

The following changes, additions, deletions, or clarifications are hereby made part of the RFP:

1. The original tender documents state an incorrect definition of a “closed opening” of the submitted tenders. To revise this statement, a closed opening means that all tenders are privately opened, read, and recorded by Ladysmith– this process is not open to the bidders or the public. This is due to size constraints, of the room in City Hall. Bidders can phone Ira Adams (250.245.6442) for information after the opening as required.
2. Please note the new closing date and time for this RFP.

Closing Date & Time: 2:00 p.m. Pacific Time on October 7, 2021

Opening Date & Time: 2:15 p.m. Pacific Time on October 7, 2021
