Addendum #1: Request for Quotation No. 2024-PRC-01

1st Ave Wayfinding Signage Installation

This addendum (Addendum #1) includes clarification to the RFQ document, and a compilation of questions and answers received from possible Proponents up to 10:00AM on February 15, 2024.

Issued: February 15th, 2024

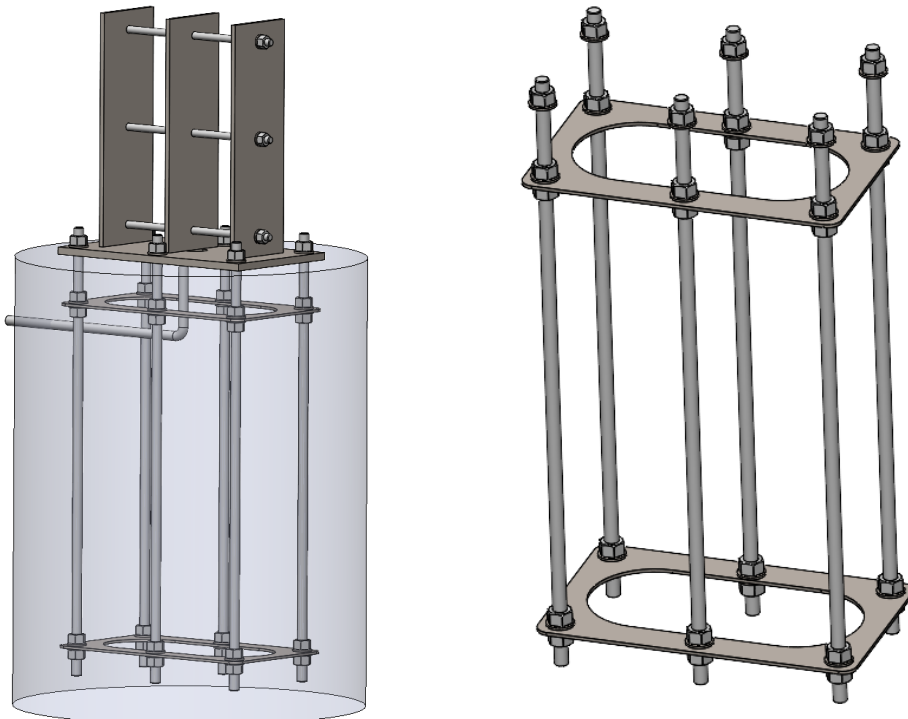

This addendum shall be read in conjunction with and considered as an integral part of the Request for Quotation (RFQ). Revisions supersede the information contained in the original RFQ or previously issued Addendum. No consideration will be allowed for any extras due to any Proponents not being familiar with the contents of this Addendum. All other terms and conditions remain the same.

QUESTIONS

Questions have been paraphrased.

- 1. Question:** Regarding the sign connection plates/hardware to the concrete footing, is this supplied as part of the signage package, and contractor to install with in the concrete footing?

Answer: The sign connection brackets, threaded rods and plates will be provided by the sign fabricator.

2. Question:

Do the finger post and information kiosk require power?

Answer:

No, the finger post and information kiosk do not require power.

3. Question:

What is the location of Sign #7? There is a discrepancy between the Signage Plan and the Electrical Drawings.

Answer:

The location of Gateway Sign (#7) is incorrect on the electrical drawings. It is correct on the 1st Ave Signage plan as noted on page 12 and 27 of the tender package.
