

Water Restrictions Stage 1

Effective October 8, 2024

Stage 1 WATER RESTRICTIONS

Outdoor watering is not permitted between 9 a.m. and 7 p.m. for the days and times applicable below.

Watering in the evening, nighttime or early morning reduces water wasted due to evaporation and spreads peak water use. If you're using an automated system, please schedule watering for the overnight hours.

Sprinkling (lawns and gardens)

Even Addresses	2 hours/day Wednesday & Saturday only
Odd Addresses	2 hours/day Thursday & Sunday only
Watering New Lawn	Sprinkling permit required*

Vegetable Gardens & Fruit Trees

Hand watering, Micro or Drip Irrigation	4 hours/day
---	--------------------

Ornamental Trees, Shrubs & Gardens

Hand watering	2 hours/day
Micro or Drip Irrigation	2 hours/day

Other Outdoor Water Use

Filling Pools and Hot Tubs, Washing Vehicles or Boats, Washing Driveways, Houses & Sidewalks	No Restrictions
--	------------------------

*Sprinkling permits can be obtained at Infrastructure Services. Please call 250-245-6445 or email info@ladysmith.ca.

Stage 1 Water Restrictions come into effect May 1st for the Town of Ladysmith, Diamond Improvement District and Stz'uminus First Nation.

These annual restrictions are intended to help control water usage during the warmer, dryer weather.

Remember, being water-wise throughout the year can save you money. With a little effort, you can reduce the amount of water used at home by as much as 40 per cent!

Thank you for your cooperation.
