Dear Neighbours of Downtown Ladysmith:

GEP Resident Inc. is returning to Ladysmith to film scenes for the TV series, "Resident Alien" from September 19th, to September 22nd, 2021. Production will be filming in various locations along 1st Avenue, Roberts Street, and Gatacre Street. Our Production would like to provide you with information to help you prepare for our arrival and anticipate how our activity might affect your daily routine.

Please note, that due to the ongoing COVID-19 pandemic, and our concern for helping to limit community transmission of the virus, we are following the recommendations of WorkSafe BC, in conjunction with the Provincial Health Officers' orders and recommendations.

Starting Thursday, September 16th, 2021, GEP Resident Inc. will begin occupying various street parking and parking lots around Town, including:

- The Roberts Street Parking Lot, 17 Roberts Street (Beginning at 7:00am)
- The Traveller's Hotel Parking Lot, 127 Gatacre Street (After 6:00pm)
- The Fisherman's Wharf Lot, 901 Ludlow Road (After 6:00pm)
- The 900 block of Oyster Bay Drive

The morning of September 23rd, 2021, Production trucks and equipment will begin vacating the above lots, opening portions of them back up to the general public.

Whilst we are filming, and for logistical support, Production will also require blocks of parking stalls along 1st Avenue between Roberts Street and Gatacre Street, and on Roberts Street between 1st Avenue and the Island Highway. We will make every effort to best accommodate any short term parking needs, and production personnel will be ready to help answer any questions or assist pedestrians whilst filming is taking place.
