ABOUT OUR COMMUNITY

Welcome to Ladysmith: where exceptional amenities, world-class municipal infrastructure, scenic trails, historic downtown character, and the beauty of Transfer Beach come together to create unparalleled charm along the 49th Parallel.

Located on spectacular Vancouver Island—just 88 kilometres (55 miles) north of Victoria and 23 kilometres (14 miles) south of Nanaimo—Ladysmith is a vibrant and growing seaside community (population 9,903 in 2024) that proudly maintains its small-town character and friendly community atmosphere.

Residents here take tremendous pride in preserving and celebrating the Town's industrial heritage, while also respectfully acknowledging the more than 5,000 years of history of the land's first residents, the Stz'uminus First Nation. Whether it's our vibrant downtown, breathtaking natural surroundings, beloved Transfer Beach, or countless events and festivals—including art shows and the Island-famous Festival of Lights—Ladysmith offers year-round experiences for everyone to enjoy.

As a recognized municipal leader, the Town of Ladysmith is committed to setting the standard for progressive, sustainable community development. In 2024, the Town's Official Community Plan—Ladysmith Unparalleled—received the Planning Institute of British Columbia's Excellence in Policy Planning Award (Small Town & Rural Areas), which celebrates the plan's innovative and forward-thinking approach.

MAYOR'S MESSAGE

On behalf of Ladysmith Town Council, I'm pleased to present the 2024 Annual Report, highlighting our strategic priorities, accomplishments, and financial outcomes for the year.

Following the resignation of Mayor Aaron Stone, it was my distinct honour to serve as Acting Mayor from October through March 2025. We remain focused on key priorities: improving core infrastructure, implementing our award-winning Official Community Plan, initiating the redevelopment of our breathtaking waterfront, supporting the growth of our local economy, and demonstrating excellence in leadership.

In 2024, the Town of Ladysmith completed several significant infrastructure projects, including the Roberts Street water main, improved air quality at the fire hall, accessibility upgrades at Lot 108, and major repairs to the retaining wall and parking lot at Oyster Bay Marina. We also achieved several short-term goals for the Official Community Plan, such as launching a system to track new rental stock. At Transfer Beach, enhancements included a new saddle span tent, an accessible walkway to the water, and an outdoor shower. The year also brought the installation of dynamic wayfinding signs downtown, improved lighting and accessibility, and new EV charging stations on Roberts Street. We rolled out an engaging social media strategy and updated our communications plan to better connect with the community.

Looking ahead, we anticipate significant progress in expanding our water storage at Holland Lake and upgrading our supply mains. A partial roof replacement is planned for the Frank Jameson Community Centre, with continued improvements expected at Brown Drive Park. Exciting changes are underway at the machine shop at Transfer Beach, and we hope to see portions of the building in use in the coming months. Lastly, we continue to explore options for a new municipal facility to replace our aging City Hall.

In closing, I want to acknowledge the hard work and dedication of my fellow Council members and, of course, the incredible staff who work tirelessly behind the scenes to make Ladysmith the charming, safe, and welcoming community we all love to call home.

Thank you for all you do. We look forward to another exciting year of working together to build a strong, sustainable community.

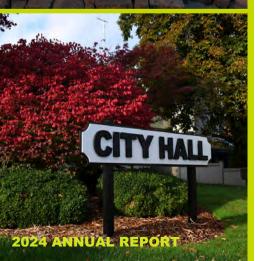

Sincerely,

Tricia McKay, Councillor (Acting Mayor October-December)
Town of Ladysmith

THE CAO'S MESSAGE

As we reflect on the past year, we are pleased to present the Town of Ladysmith 2024 Annual Report. This report highlights our collective achievements, ongoing efforts, and the progress we have made in building a stronger, more vibrant community for all.

This year has brought both challenges and opportunities, but what stands out most is the resilience and spirit of our community. Together, we have continued to invest in our future, preserve the unique character of Ladysmith, and foster an environment where everyone can thrive.

Our shared successes reflect the dedication of residents, local organizations, and our town staff, who have all worked collaboratively to meet the needs of our growing population.

Whether it is through the maintenance of public spaces, continued infrastructure improvements, or the enhancement of essential services, we have made meaningful strides toward making Ladysmith an even better place to live, work, and visit.

As we look to the future, we remain focused on continuing the vision of our Official Community Plan which is inclusive; everyone is welcome here. We will prioritize the needs of our residents, support local businesses, and ensure that Ladysmith remains beautiful and unparalleled for generations to come.

We thank all of you for your continued involvement and support. Together, we are shaping the future of Ladysmith to ensure that our town remains a place that reflects the values and essence of those who call it home.

Sincerely,

Allison McCarrick, Chief Administrative Officer Town of Ladysmith

LADYSMITH COUNCIL

Ladysmith Council is comprised of six councillors and a mayor, all of whom are elected to a fouryear term. Council members are also appointed to standing portfolios and serve on Town and regional committees.

Mayor and Council are responsible for local government leadership and decision making, ensuring the delivery of core services to residents and businesses, and implementing the 2023-2026 Strategic Plan.

As elected officials, Mayor and Council are deeply committed to good governance, responsible leadership, and ensuring that decisions are made openly and honestly, with the best interests of the community at heart.

Note: In September, Aaron Stone resigned from his role as mayor. Tricia McKay served as acting mayor for the remainder of the year.

ORGANIZATIONAL STRUCTURE

STRATEGIC PRIORITIES

In the 2023-2026 Strategic Plan, Council has set a vision and path to guide the organization and community over the coming years.

The five strategic priorities identified by Council include: Core Infrastructure, Official Community Plan Implementation, Waterfront Area Plan, Economy and Leadership.

The Strategic Plan strikes a balanced approach to fiscal management, advancing projects that are sustainable and manage future growth, while also preserving our community's character and protecting our natural assets.

We invite you to explore the progress Council has made in achieving its strategic priorities as part of the 2024 Annual Report.

CELEBRATE OUR PRESENT. EMBRACE OUR FUTURE. HONOUR OUR PAST.

INFRASTRUCTURE

COMMUNITY PLAN

WATERFRONT

ECONOMY

LEADERSHIP

CORE INFRASTRUCTURE

Investment in capital projects and infrastructure is vital for the long-term stability and prosperity of our community and is a key priority for Council.

A number of major capital projects were completed in 2024—including the replacement of watermains and the installation of new catch basins, manholes and a storm pipe on Roberts Street to the tune of \$658,880.

The Town received funding from senior levels of government last year to support critical infrastructure upgrades in the community. This includes \$10.8 million for the Holland Lake reservoir expansion, a \$15-million project that will nearly double the reservoir's storage capacity once completed.

Funding was also provided for the Town to begin deconstructing the Mackie Dam—an effort that will restore the natural creek bed, improve water flow, and enhance aquatic habitat. Additional upgrades planned upstream will further reduce the risk of structural failure and improve access and operations at the Town's water source.

All of these projects, once completed, will help the Town adapt to long-term climate-related challenges while ensuring residents continue to have access to high quality drinking water for generations to come.

CORE INFRASTRUCTURE

The Frank Jameson Community Centre has seen some exciting upgrades this year, with a strong focus on improving accessibility for all visitors. New features included an automatic door opener, multiple pool lifts, and braille signage. The Town also launched plans for a new skatepark beside the Frank Jameson Community Centre, starting with a public open house in late 2024.

Meanwhile, our Parks staff removed deteriorating stairs on the Holland Creek Trail and replaced them with a beautiful new 200-metre section of trail, making it easier for people to explore one of Ladysmith's favourite spots.

CORE INFRASTRUCTURE

2024 Highlights

Launched GIS mapping capabilities for both staff and public use

Installed accessible concrete walkway, improved parking and practice pitch at Lot 108

Paving Projects on Buller Street Dogwood Drive and Davis Road

Replaced aging watermains on Roberts Street

What's Next

Removal of both Mackie and Colonia dams in the Fall of 2025

4th Avenue Extension sewer main replacement to accommodate Small-scale Multi-unit Housing

6th Avenue reconstruction design

Phase 1 FJCC roof replacement scheduled

Completion of Storm Water Master Plan

COMMUNITY PLAN

Building off the momentum achieved in 2023, Council continued to make significant progress on implementing the Official Community Plan's policies aimed at enhancing the Town's physical, ecological and socio-economic infrastructure.

The Town has made solid progress on a few key initiatives that support the goals of our Official Community Plan. As part of our commitment to the OCP, staff completed the bi-annual Parking Study, which found that both on-street and off-street parking occupancy remains below the 85% threshold. The results are now available through an interactive data portal on our website, giving the public an easy way to explore the findings.

To help protect long-term rental housing in our community, the Town has also signed on to the Province's Short-Term Rental (STR) database. This tool will help us better monitor the impact of STR's in Ladysmith.

Additionally, Council adopted a new Building Bylaw that requires compliance with both the BC Energy Step Code and the BC Zero Carbon Step Code—bringing the Town's local building regulations in step with the climate action goals outlined in the OCP.

COMMUNITY PLAN

In 2024, the Town amended the Zoning Bylaw to expand the range of uses and allowable density in the Downtown Core, supporting the land use objectives of the OCP and helping to shape a more vibrant and inclusive heritage downtown.

And, in a move some residents have been clucking about for years, Council adopted new bylaws legalizing backyard chickens and goatscaping. It's a lighthearted but meaningful step that supports urban agriculture in Ladysmith—bringing a little more character (and maybe a few more feathers) to our neighbourhoods. Some residents may even call it the G.O.A.T. of bylaw updates.

COMMUNITY PLAN

2024 Highlights

Amended the Zoning Bylaw to allow a broader range of uses and increased density in the Downtown Core

Adopted a new Building Bylaw that requires compliance with the BC Energy Step Code and BC Zero Carbon Step Code

Completed the bi-annual Parking Study, which found that both onstreet and off-street parking occupancy remain below the 85% threshold

What's Next

Updating the Development Cost Charge and Revitalization Tax Exemption Bylaws to incentivize growth in Priority Growth Areas, with an expanded scope that includes developing an Amenity Cost Charge Bylaw

Undertaking Ladysmith's First Mobility
Plan and updating the Subdivision and
Development Servicing Bylaw to reflect
recommendations of the mobility plan

Amending the Zoning Bylaw to include parking supply ratios and dimensions for van-accessible parking spaces

Developing a monitoring program for purpose-built rental housing

WATERFRONT AREA PLAN

The waterfront is the gem of our community—a place where natural beauty, cultural heritage, and economic opportunity collide. Recognizing the waterfront's potential to shape the Town's future, Ladysmith Council remains firmly committed to bringing the Waterfront Area Plan to life.

A central component of the Waterfront Area Plan is the Machine Shop, which began long-awaited renovations in October. Upgrades include framing for new classroom/artist studio and meeting spaces upstairs along with the installation of energy-efficient lighting and a new HVAC system. Once completed, the Machine Shop will help drive the revitalization of the upper waterfront and complement the Arts and Heritage Hub.

Continuing the momentum from 2023's enhancements at Transfer Beach, 2024 saw the installation of a saddle-span tent at the amphitheatre. Acquired in July, this highly durable and portable tent is available for user groups to rent and offers shade and rain protection at the amphitheatre, making events more enjoyable for everyone.

The playground at Transfer Beach also saw the installation of fresh new play chips, making one of the Town's most beloved playgrounds safer, cleaner, and more enjoyable for children and families. This simple yet important upgrade helps cushion falls, reduces dust, and contributes to a more accessible and welcoming play environment for all.

WATERFRONT AREA PLAN

Additionally, native vegetation, which was carefully selected to reflect the natural ecology of the area and support local pollinators and wildlife, was planted at Transfer Beach last year. The Town installed signage with Hul'q'umi'num translations as a meaningful way to honour and reflect the rich cultural heritage of the Stz'uminus First Nation and their connection to the area.

WATERFRONT AREA PLAN

2024 Highlights

Installation of native plants and signage with Hul'q'umi'num translation

New Saddle Span tent for events at Transfer Beach Amphitheatre

Uplands remediation and testing to proceed with the Waterfront Area Plan

Phase 2 renovations on the Machine Shop (Heart of the Hub) proceeded

What's Next

Complete site investigations and obtain a certificate of compliance from the Province

Continued remediation and testing at the Uplands

Begin redevelopment aligned with the Waterfront Area Plan including:

- Redeveloping the Uplands
- Supporting SFN's development of the water lots

ECONOMY

A strong local economy is vital to the well-being of our community, and Council remains deeply committed to ensuring Ladysmith's economy remains resilient for years to come.

As part of this commitment, the Town invested in key infrastructure to support tourism and local business. This includes the installation of new wayfinding signs throughout downtown, helping both locals and tourists navigate to local shops, services, and points of interest. A striking new welcome sign— designed in the Coast Salish style by Stz'uminus artist John Marston (Qap'u'luq)—was also added near Baker Road at the south end of town.

Council also adopted a Special Event Bylaw last year, which simplified the event-planning and application process. As a result, 36 special event applications were processed in 2024. This included a vibrant mix of long-standing community favourites—such as the Festival of Lights, Arts on the Avenue, and Ladysmith Days—alongside exciting new additions like the Town's first-ever Pride Parade. These events not only bring residents together and attract others to Ladysmith— they also play an important role in our economic well-being.

ECONOMY

Equally important is Council's goal of making Ladysmith a welcoming and inclusive place—one where people from all backgrounds and walks of life can build a life and feel at home.

As part of its ongoing commitment to the Poverty Reduction Strategy, Council continued to act on key recommendations. This included hosting multiple Dinner & Dialogue events, which created space for meaningful conversations between residents and members of the Stz'uminus First Nation—helping to build understanding around the challenges many in our community face and to explore practical, community-driven solutions.

ECONOMY

2024 Highlights

Applied our newly adopted Grants in Aid policy, contributing to 14+ local organizations and events, including \$10,000 towards the first Ladysmith Pride Celebration

Adopted a new Special Event Bylaw to simplify event-planning processes

Adopted a new Building and Development Approval Procedures Bylaw to streamline the process of building new homes

New wayfinding signage around downtown

Supported the Skatepark Community Painting Project and began public input for a skatepark redesign

What's Next

Youth Bloom Project Completion 2025

Mountain Bike Trail Network Study

LEADERSHIP

Mayor and Council are committed to continuous learning and advocacy for the Town of Ladysmith. Throughout 2024, they participated in a variety of conferences and leadership symposiums, including the Association of Vancouver Island Coastal Communities (AVICC), Union of British Columbia Municipalities (UBCM), Federation of Canadian Municipalities (FCM), and the Vancouver Island Economic Alliance (VIEA).

These conferences and symposiums provide Mayor and Council with valuable opportunities to engage with other local leaders, explore emerging best practices, and bring fresh ideas back to Ladysmith. While attending the UBCM annual conference, Council votes to advance recommendations to the Province to provide the Town with a voice in progressing beneficial laws and policies for Ladysmith and all British Columbia municipalities.

In the spirit of good governance, Council directed staff to refine its approach to communicating with residents. As a result, Council adopted a modernized communication policy in 2024 that equips staff with the tools they need to do their job—reinforcing Council's commitment to transparent public communication. Council also supported a new social media strategy that shifts from a reactive and passive approach to one that is more proactive, informative and engaging.

LEADERSHIP

A cornerstone of Council's 2023–2026 Strategic Priorities is strengthening communication and fostering honest, meaningful collaboration with Stz'uminus First Nation. In this respect, Council resumed its Community to Community meetings with Stz'uminus First Nation in September. Both communities discussed projects of mutual interest and benefit all while fostering meaningful connections in an open and welcoming environment.

Council capped off 2024 by recognizing the outstanding contributions of its community members. Former Mayor Rob Hutchins was awarded the Town's inaugural Freedom of the Town honour, while the U17B-Kennedy Softball Team received the first-ever Achievement Award in celebration of their provincial gold medal victory.

LEADERSHIP

2024 Highlights

Presented the Town's first Freedom of the Town award to former Mayor Rob Hutchins.

Developed and implemented Diversity Equity and Inclusion (DEI) Statement

Launched new public engagement platform, Let's Talk Ladysmith

Sought public approval via AAP to borrow money for a new City Hall and housing on Buller Street.

What's Next

Accessibility Guide Completion

Advancing the OCP & Waterfront Plan

Focusing on Council's 2023–2026 priorities

Strengthening community connections through better engagement

Advocating for funding from other governments

FINANCIAL STATEMENTS for FISCAL YEAR ENDING December 31, 2024

STATEMENT OF MANAGEMENT'S RESPONSIBILITY

The accompanying Consolidated Financial Statements are the responsibility of the management of the Town of Ladysmith and have been prepared in compliance with legislation, and in accordance with Canadian Public Sector Accounting standards.

In carrying out its responsibilities, management maintains appropriate systems of internal and administrative controls designed to provide reasonable assurance that transactions are executed in accordance with proper authorization, that assets are properly accounted for and safeguarded, and that financial information produced is relevant and reliable.

MNP LLP as the Municipality's appointed external auditors, have audited the Consolidated Financial Statements. The Auditor's report is addressed to the Mayor and members of Council and appears on the following page. Their opinion is based upon an examination conducted in accordance with Canadian Auditing Standards, performing such tests and other procedures as they consider necessary to obtain reasonable assurance that the Consolidated Financial Statements are free of material misstatement and present fairly the financial position and results of the Municipality in accordance with Canadian Public Sector Accounting Standards.

Allison McCarrick Chief Administration Officer

Independent Auditor's Report

To the Mayor and Council of the Town of Ladysmith:

Opinion

We have audited the consolidated financial statements of the Town of Ladysmith (the "Town"), which comprise the consolidated statement of financial position as at December 31, 2024, and the consolidated statements of operations, net financial assets and cash flows for the year then ended, and notes and schedules to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Town as at December 31, 2024, and the results of its consolidated operations net financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Town in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises the annual report, which is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Town's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Town or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Town's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
 are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness
 of the Town's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Town's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Town to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including
 the disclosures, and whether the consolidated financial statements represent the underlying transactions and
 events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

The Town of Ladysmith (the Town) was incorporated in 1904 under the provisions of the British Columbia Municipal Act. Its principal activities are the provision of local government services in the Town, as governed by the *Community Charter* and the *Local Government Act*.

Note 1 - Change in Accounting Policies

Revenue

Effective January 1, 2024, the Town adopted the Public Sector Accounting Board's (PSAB) new standard for the recognition, measurement and disclosure of revenue under PS 3400 Revenue. The new standard establishes when to recognize and how to measure revenue and provides the related financial statement presentation and disclosure requirements. Pursuant to these recommendations, the change was applied prospectively, and prior periods have not been restated.

Under the new standard, revenue is differentiated between revenue arising from transactions that include performance obligations, referred to as "exchange transactions", and transactions that do not have performance obligations.

There was no material impact on the consolidated financial statements from the prospective application of the new accounting recommendations.

Note 2 - Significant Accounting Policies

The notes to the consolidated financial statements are an integral part of these financial statements. They provide detailed information and explain the significant accounting and reporting policies and principles that form the basis of these statements. They also provide relevant supplementary information and explanations which cannot be expressed in the consolidated financial statements.

(a) Basis of Presentation

It is the Town's policy to follow Canadian public sector accounting standards for local governments and to apply such principles consistently. The financial resources and operations of the Town have been consolidated for financial statement purposes and include the accounts of all of the funds of the Town.

The consolidated financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon the receipt of goods and services or the creation of an obligation to pay.

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 2 - Significant Accounting Policies - (a) Basis of Presentation (continued)

The consolidated financial statements reflect the assets, liabilities, revenues and expenses and changes in fund balances and financial position of the Town. These consolidated financial statements consolidate the following operations:

General Revenue Fund
Water Revenue Fund
Water Revenue Fund
Sewer Revenue Fund
Reserve Fund
Sewer Capital Fund
Reserve Fund

(b) Reporting Entity

The consolidated financial statements include the assets, liabilities, revenue and expenses of the reporting entity. The reporting entity is comprised of all the funds, agencies, local boards, and committees of the Council which are controlled by the Town. Control is defined as the power to govern the financial and reporting policies of another organization with the expected benefits of risk of loss to the Town. The controlled organizations are consolidated after adjusting their accounting policies to a basis consistent with the accounting policies of the Town. Interfund and intercompany balances and transactions have been eliminated. The controlled organizations include Ladysmith Harbour Economic Development Corporation (formally DL 2016 Holdings Corporation), a wholly owned subsidiary of the Town.

(c) Tangible Capital Assets

Tangible capital assets are recorded at cost less accumulated amortization and are classified according to their functional use. Cost includes all amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. Donated assets are recorded at their estimated fair value upon acquisition. Certain tangible capital assets for which historical cost information is not available have been recorded at current fair market values discounted by a relevant inflation factor. Certain assets are disclosed at a nominal value as the determination of current fair market value was not available. The Town does not capitalize interest charges as part of the cost of its tangible capital assets.

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 2 - Significant Accounting Policies - (c) Tangible Capital Assets (continued)

Tangible capital assets are amortized over their estimated useful life on the straight-line method at the following annual rates:

General Tangible Capital Assets

Land	Indefinite
Land Improvements	15 to 75 years
Buildings	25 to 40 years
Equipment, Furniture and Vehicles	5 to 60 years

Engineering Structures

Roads and Sidewalks	20 to 75 years
Storm and Sewer	25 to 75 years
Water	20 to 80 years

Constructions in progress contain capital projects underway but not yet complete or put into use. Once put into use, the asset will be amortized based on the above annual rates for the applicable category of work performed.

Certain assets have historical or cultural value including works of art, historical documents as well as historical and cultural artifacts that are not recognized as tangible capital assets because a reasonable estimate of the future benefits associated with such property cannot be made. Intangibles, Crown lands and other natural resources are not recognized as tangible capital assets.

(d) Cash and Short-Term Deposits

Cash and short-term deposits have maturities of three months or less from the date of acquisition, reported in Canadian funds using the exchange rate of the prescribed bank as of December 31.

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 2 - Significant Accounting Policies (continued)

(e) Restricted Reserves and Deferred Revenues

Receipts which are restricted by the legislation of senior governments or by agreement with external parties are deferred and reported as restricted reserves. When qualifying expenses are incurred, restricted reserves are brought into revenue at equal amounts, in accordance with Revenue Recognition Note 2 (g). These revenues are comprised of the amounts shown in Note 10, 11 and 12.

Revenues received from non-government sources in advance of expenses which will be incurred in a later period are deferred until the associated purchase or expense is incurred.

(f) Use of Estimates

The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expense during the reporting period. Significant areas requiring the use of management estimates relate to the collectability of accounts receivable, accrued liabilities, post-employment benefits, asset retirement obligations, provisions for contingencies and amortization rates, useful lives and salvage values for determining tangible capital asset values. Actual results could differ from those estimates. Liabilities for contaminated sites are estimated based on the best information available regarding potentially contaminated sites that the Town is responsible for. Adjustments, if any, will be reflected in operations in the period of settlement.

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 2 - Significant Accounting Policies (continued)

(g) Revenue Recognition

Taxation revenues are recognized at the time of issuing the property tax notices for the fiscal year. Sales of services revenue are recognized when the performance obligation to the customer is satisfied. Investment income is accrued as earned. Licences, permits, rentals and penalty revenues are recognized when the service has been provided, or the amount is earned and when collection is reasonably assured.

Other revenues are recognized when earned in accordance with the terms of the agreement, when the amounts are measurable and when collection is reasonably assured.

The Town recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. Grants and donations are recognized in the financial statements in the period which the events giving rise to the transfer occur, eligibility criteria are met, and reasonable estimates of the amount can be made. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability (deferred revenue). In such circumstances, the Town recognizes the revenue as the liability is settled.

Deferred revenue represents user charges and other fees which have been collected, for which the related services have yet to be provided. These amounts will be recognized as revenue in the fiscal year the services are provided.

(h) Non-financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the change in net financial assets for the year.

(i) Inventory

Inventory is valued at the lower of cost and net realizable value, determined on an average cost basis.

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 2 - Significant Accounting Policies (continued)

(j) Liability for contaminated sites

A liability for remediation of a contaminated site is recognized at the best estimate of the amount required to remediate the contaminated site when contamination exceeding an environmental standard exists, the Town of Ladysmith is either directly responsible or accepts responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available on December 31, 2024.

Included in tangible capital assets are specific properties that have been determined to be contaminated in excess of Provincial environmental standards and that require remediation activities. As the Town has not accepted responsibility for the contamination, no liability has been recorded for the estimated remediation costs. Future events may confirm the Town's responsibility, at which point a liability would be recorded. Any remediation activities that occur prior to the determination of responsibility will be expensed as incurred.

(k) Asset Retirement Obligations

A liability for an asset retirement obligation is recognized at the best estimate of the amount required to retire a tangible capital asset (or a component thereof) at the financial statement date when there is a legal obligation for the Town to incur retirement costs in relation to a tangible capital asset (or component thereof), the past transaction or event giving rise to the liability has occurred, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount can be made. The best estimate of the liability includes all costs directly attributable to asset retirement activities, based on information available on December 31, 2024. The best estimate of an asset retirement obligation incorporates a present value technique, when the cash flows required to settle or otherwise extinguish an asset retirement obligation are expected to occur over extended future periods.

When a liability for an asset retirement obligation is initially recognized, a corresponding asset retirement cost is capitalized to the carrying amount of the related tangible capital asset (or component thereof). The asset retirement cost is amortized over the useful life of the related asset.

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 2 - Significant Accounting Policies - (I) Asset Retirement Obligations (continued)

At each financial reporting date, the Town reviews the carrying amount of the liability. The Town recognizes period-to-period changes to the liability due to the passage of time as accretion expense. Changes to the liability arising from revisions to either the timing, the amount of the original estimate of undiscounted cash flows or the discount rate are recognized as an increase or decrease to the carrying amount of the related tangible capital asset.

The Town continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

(m) Financial Instruments

The Town recognizes its financial instruments when the Town becomes party to the contractual provisions of the financial instrument. All financial instruments are initially recorded at their fair value.

At initial recognition, the Town may irrevocably elect to subsequently measure any financial instrument at fair value. The Town has not made such an election during the year.

The Town subsequently measures investments in equity instruments quoted in an active market and all derivative instruments, except those that are linked to, and must be settled by delivery of, unquoted equity instruments of another entity, at fair value. Fair value is determined by published price quotations. Transactions to purchase or sell these items are recorded on the trade date. Net gains and losses arising from changes in fair value are recognized in the statement of remeasurement gains and losses. The Town has not presented a statement of remeasurement gains and losses as it does not have any items giving rise to remeasurement gains (losses). Interest income is recognized in the statement of operations. Investments in equity instruments not quoted in an active market and derivatives that are linked to, and must be settled by delivery of, unquoted equity instruments of another entity, are subsequently measured at cost. With the exception of those instruments designated at fair value, all other financial assets and liabilities are subsequently measured at amortized cost using the effective interest rate method.

Transaction costs directly attributable to the origination, acquisition, issuance or assumption of financial instruments subsequently measured at fair value are immediately recognized in operating annual surplus. Conversely, transaction costs are added to the carrying amount for those financial instruments subsequently measured at cost or amortized cost.

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 3 - Cash and Short-Term Deposits

Cash and short-term deposits were comprised as follows:

	 2024	 2023
Cash Short-term deposits	\$ 53,251,892 915,838	\$ 44,283,004 873,806
	\$ 54,167,730	\$ 45,156,809

Included in Cash is a deposit of \$230,673 (the equivalent of \$159,589 US Funds based on the exchange rate at the Ladysmith and District Credit Union on December 31, 2024) (\$197,038 equivalent of \$151,377 US Funds – 2023). Short-term deposits consist of short-term investments in the Municipal Finance Authority of B.C. money market fund. The market value is equal to the carrying value.

Included in cash and short-term deposits are the following restricted amounts that are expended in accordance with the terms of the restricted reserves.

	 2024	 2023		
Restricted reserves	\$ 560,984	\$ 535,460		
Canada Community-Building Fund reserve	2,067,700	1,690,208		
Development cost charges reserve	 9,736,879	 8,944,041		
Total restricted cash	\$ 12,365,563	\$ 11,169,709		

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 4 - Financial Instruments

The Town as part of its operations carries a number of financial instruments. It is management's opinion the Town is not exposed to significant interest, currency or credit risk arising from these financial instruments, except as otherwise disclosed. The Town is exposed to currency risk on its US dollar bank account. Unless otherwise noted in Note 3, the fair value of these financial instruments approximates their carrying values.

Note 5 - Accounts Receivable

	 2024	2023		
Employee receivables	\$ 2,364	\$	6,563	
Other government	383,364		464,627	
Property taxes	964,169		850,529

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 7 - Post-Employment Benefits

The Town provides compensated absences to its employees to a maximum of 120 days. The Town also allows employees to defer unused vacation without any maximum. Any deferred vacation time remaining at retirement or termination is paid out at that time. The amount recorded for these benefits is based on an actuarial evaluation done by an independent firm using a projected benefit actuarial valuation method prorated on services. The last actuarial valuation was calculated at November 1, 2024 and has been extrapolated to December 31, 2024. The change in the liability in the financial statements in respect of obligations under the plan amounts to \$23,200 (\$45,400 - 2023).

The accrued post-employment benefits are as follows:

	 2024	 2023		
Balance, beginning of year	\$ 334,200	\$ 288,800		
Current service costs	50,600	38,600		
Benefits paid	(26,800)	(91,700)		
Actuarial gain	(600)	 98,500		
Balance, end of year	\$ 357,400	\$ 334,200		

The significant actuarial assumptions adopted in measuring the Town's post-employment benefits are as follows:

	2024	2023
Discount Rate	4.20%	4.10%
Expected Inflation Rate and Wage & Salary Increases	3.00%	2.50%

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 12 - Canada Community-Building Fund Reserve

The Canada Community-Building (CCB) funding (formally known as Gas Tax funding) is provided by the Government of Canada. The use of the funding is established by a funding agreement between the Town and the Union of British Columbia Municipalities. Canada Community-Building funding may be used towards designated public transit, community energy, water, wastewater, solid waste and capacity building projects, as specified in the funding agreements. The funds are recorded on the consolidated financial statements as a restricted reserve.

	2024	2023		
Opening balance of unspent funds	\$ 1,690,208	\$	1,972,401	
Add: Amounts received during the year Interest earned	472,761 93,900		452,892 95,116	
Less: Canada Community-Building funds utilized	(189,169)		(830,201)	
Closing balance of unspent funds	\$ 2,067,700	\$	1,690,208	

Note 13 - Equipment Financing

The total equipment financing outstanding with the Municipal Finance Authority of BC (MFABC) as at December 31, 2024 was \$2,659,293 (\$2,763,478 – 2023). This balance is made up of:

	Balance ec 31, 2023		Principal Payments		•		Balance ec 31, 2024
Spartan Fire Truck	\$ 111,548	\$	35,622	\$	75,926

	\$ 2,763,478	\$	104,185	\$	2,659,293		

Interest in the consolidated statement of operations is calculated as \$142,466 (\$146,568 - 2023).

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 13 - Equipment Financing (continued)

- 1) A five-year equipment loan agreement with the MFABC renewed June of 2022 in the amount of \$166,214 for the purchase of a 2012 Spartan fire truck. The balance of the loan at December 31, 2024 was \$75,926 (\$111,548 2023). The remaining obligation will be repaid with monthly loan payments in the amount of \$3,388 including interest at a monthly varying rate (December 2024 was 4.25%) (5.63% 2023). Loan to is set to expire July 2026.
- 2) A five-year equipment loan agreement with the MFABC renewed October of 2023 in the amount of \$586,408 for the purchase of a 2018 Spartan fire truck. The balance of the loan at December 31, 2024 was \$564,056 (\$582,550 2023). The remaining obligation will be repaid with monthly loan payments in the amount of \$4,050 including interest at a monthly varying rate (December 2024 was 4.25%) (5.63% 2023). The loan is set to expire September 2028.
- 3) A new five-year equipment loan agreement with the MFABC renewed December of 2023 in the amount of \$2,069,380 for the purchase of an Aerial fire truck. The balance of the loan at December 31, 2024 was \$2,019,311 (\$2,069,380 2023). The remaining obligation will be repaid with monthly loan payments in the amount of \$13,116 including interest at a monthly varying rate (December 2024 was 4.25%) (5.63% 2023). The loan is set to expire December 2028.

The future minimum loan payments payable to MFABC for all three equipment loan obligations are as follows:

2025	\$ 148,318
2026	152,211
2027	119,128
2028	2,239,636

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 14 - Debenture Debt

The Town of Ladysmith secures its long-term borrowing through the Municipal Finance Authority of BC (MFABC). As a condition of each borrowing, a portion of the debenture proceeds is retained by the MFABC as a debt reserve fund. As at December 31, 2024, the cash balance of the Town's debt reserve funds was \$253,063 (\$244,548 - 2023). Debt reserve funds are not recorded elsewhere in the financial statements.

The total long-term debt issued and outstanding with MFABC as at December 31, 2024 was \$12,816,879 (\$13,670,140 as at December 31, 2023). This balance is made up of:

	Original Amount	Balance Dec 31, 2023	Principal Payments	Balance Dec 31, 2024	Interest Rate
General Capital Fund RCMP Building Issue #97 Term 2006-2031	\$ 2,750,000	\$ 1,185,185	\$ 128,626	\$ 1,056,559	1.75%
Water Capital Fund Water Improvements Issue #118 Term 2012-2037	1,000,000	673,443	\$ 39,413	634,030	3.39%
Water Filtration Plant Issue #147 Term 2019-2044	6,000,000	5,311,512	\$ 185,222	5,126,290	2.66%
Sewer Capital Fund Sewer Treatment Plant Issue #138 Term 2016-2036	10,000,000	6,500,000	\$ 500,000	6,000,000	1.38%
	\$ 19,750,000	\$ 13,670,140	\$ 853,261	\$ 12,816,879	

Debt interest, net of actuarial adjustment included in the consolidated statement of operations, is calculated at \$266,716 (\$293,803 – 2023).

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 14 - Debenture Debt (continued)

The following principal payments are payable over the next five years:

	Gene	eral	Water		Sewer		Total
	Principal Repayment	Actuarial Sinking Fund Earnings	Principal Repayment	Actuarial Sinking Fund Earnings	Principal Repayment	Actuarial Sinking Fund Earnings	Net
2025	66,033	67,738	194,185	37,190	500,000	-	865,146
2026	66,033	73,088	194,185	44,132	500,000	-	877,438
2027	66,033	78,653	194,185	51,281	500,000	-	890,152
2028	66,033	84,441	194,185	58,645	500,000	-	903,304
2029	66,033	90,460	194,185	66,230	500,000	-	916,908
Thereafter	132,066	199,949	2,705,448	1,826,469	3,500,000	-	8,363,932

On February 18, 2020, the electors approved an additional \$6.2 million dollars in long-term debt to increase the Town's water supply. This new debt has not been executed.

Note 15 - Asset Retirement Obligations

The Town has buildings containing asbestos, lead paint, and other hazardous materials and is legally required to remove the noted items when it becomes necessary to repair or replace the buildings. The Town recognized a liability of \$350,092 (\$336,870 - 2023) for the asset retirement obligation and a corresponding amount has been expensed as the effective buildings have been fully amortized.

The Town has a water course with several weirs and is legally required to decommission the weirs as they have reached the end of their useful life. The Town recognized a liability of \$2,750,000 (\$2,750,000 – 2023) for the asset retirement obligation and a corresponding amount has been expensed.

The Town estimated the amount of the liabilities using undiscounted future expenditures estimated to retire the tangible capital asset.

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 16 - Commitments and Contingencies

(a) Contingent Liabilities

- The Town, as a member of the Cowichan Valley Regional District, is jointly and severally liable for operational deficits or long-term debt related to functions in which it participates.
- ii) The loan agreements with the Municipal Finance Authority provide that if the Authority does not have sufficient funds to meet payments on its obligations it shall make payments from the Debt Reserve Fund which in turn is established by a similar Debt Reserve Fund in the Town and all other borrowing participants. If the Debt Reserve Fund is deficient the Authority's obligations become a liability of the regional district and may become a liability of the participating municipalities.
- iii) There were various claims made against the Town as at December 31, 2024 for incidents that arose in the ordinary course of operations. In the opinion of management and legal counsel, the outcomes of the lawsuits, now pending, are not determinable. As the outcomes are not determinable at this time, no amount has been accrued in the financial statements. Should any loss result from the resolution of these claims, such loss will be charged to operations in the year of resolution.

(b) Pension Liability

The Town and its employees contribute to the Municipal Pension Plan (a jointly trusteed pension plan). The board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2023, the plan has about 256,000 active members and approximately 129,000 retired members. Active members include approximately 45,000 contributors from local governments.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 16 - Commitments and Contingencies - (b) Pension Liability (continued)

The most recent actuarial valuation for the Municipal Pension Plan as of December 31, 2021, indicated a \$3.761 billion funding surplus for basic pension benefits on a going concern basis.

The next valuation will be as at December 31, 2024.

The Town of Ladysmith paid \$508,202 (2023 - \$484,189) for employer contributions to the plan in fiscal 2024.

Employers participating in the plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plan.

(c) Reciprocal Insurance Exchange Agreement

The Town is a subscribed member of the Municipal Insurance Association of British Columbia (The "Exchange") as provided by Section 3.02 of the Insurance Act of the Province of British Columbia. The main purpose of the Exchange is to pool the risks of liability so as to lessen the impact upon any subscriber. Under the Reciprocal Insurance Exchange Agreement, the Town is assessed a premium and specific deductible for its claims based on population. The obligation of the Town with respect to the Exchange and/or contracts and obligations entered into by the Exchange on behalf of its subscribers in connection with the Exchange are in every case several, and not joint and several. The Town irrevocably and unconditionally undertakes and agrees to indemnify and save harmless the other subscribers against liability losses and costs which the other subscriber may suffer.

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 16 - Commitments and Contingencies (continued)

(d) Service Agreements & Rental Payments

Service Agreements

	2024		 2023
Ladysmith & District Historical Society	\$	26,699	\$ 29,627
Ladysmith Resources Centre Association		46,520	45,608
Ladysmith Chamber of Commerce & Visitor Centre		63,900	 60,400
	\$	137,119	\$ 135,635

In 2024, the Town renewed a 2-year Service Agreement with the Ladysmith & District Historical Society (LDHS) for the occupancy, operation and management of the museum and occupancy, operation and management of the archives. The future payment to Ladysmith & District Historical Society for archives management fee for 2025 is \$23,570. The future monthly payment to Ladysmith & District Historical Society for the management of the museum is \$636 (Jan – June, 2025) \$655 (July, 2025 – June, 2026). Both agreements may be renegotiated in 2026.

In 2024, The Town renewed a 2-year Service Agreement with the Ladysmith Resources Centre Association (LRCA). The future payment in 2025 is \$47,452. The agreements may be renegotiated in 2026.

The Town provides the Ladysmith Chamber of Commerce & Visitor Centre annual funding to operate the visitor centre and provide support services for local businesses. The agreement is year-to-year. In 2024, the Town provided an additional \$18,000 (\$17,000 – 2023) to the Ladysmith Chamber of Commerce to promote economic development and tourism services.

Rental payments under operating leases are expensed as incurred.

	 2024	 2023
132c Roberts Street - office space 17 & 25 Roberts Street - parking lot	\$ 32,780 10,800	\$ 32,277 9,900
	\$ 43,580	\$ 42,177

In December of 2023, the Town signed a 2-year lease with Ivory Tower Investments Ltd for the use of office space at 132c Roberts Street which expires January of 2026. The future monthly payments are \$2,872 for the term of the agreement.

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 16 - Commitments and Contingencies - (d) Service Agreements & Rental Payments (continued)

In December of 2023, the Town signed a 5-year lease agreement with Paul Jorjorian for the rental of the 17 & 25 Roberts Street Parking Lot which expires December 2028. The future monthly payments are 2025 for \$950, 2026 for \$1,000, 2027 for \$1,000 and 2028 for \$1,000.

Note 17 - Significant Taxpayers

The Town is reliant upon 10 taxpayers for approximately 11.48% (11.14% - 2023) of the total property tax revenue which includes Western Forest Products at approximately 5.87% (5.92% - 2023) of the total property tax revenue.

Note 18 - Funds Held in Trust

These funds account for assets which must be administered as directed by agreement or statute for certain beneficiaries; in particular, these funds are for the Cemetery Trust Fund. In accordance with PSAB recommendations on financial statement presentation, trust funds are not included in the Town's Financial Statements.

A summary of trust fund activities by the Town is as follows:

	2024		2023	
Assets				
Cash and short term investment	\$	185,009	\$	179,999
Equity				
Opening balance	\$	179,999	\$	174,827
Interest		9,960		10,024
Transfer interest to fund cemetery costs		(9,960)		(10,024)
Contributions		5,010		5,387
Refunds		-		(215)
Balance, end of year	\$	185,009	\$	179,999

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 19 - Comparative Figures

Certain comparative figures have been reclassified to conform to the current year's presentation.

Note 20 - Accumulated Surplus

The Town segregates its accumulated surplus in the following categories:

	2024	2023	
Appropriated Equity (Note 27)			
Continuing projects	\$ 6,892,044	\$ 6,077,954	
General fund	10,524,258	8,539,308	
Water fund	-	-	
Sewer fund	1,361,220	1,257,743	
	18,777,522	15,875,005	
Unappropriated Equity			
General fund	3,908,332	2,576,163	
Water fund	596,416	104,470	
Sewer fund	1,645,828	1,413,079	
General capital fund	369,784	345,846	
Sewer capital fund	32,530	32,529

	6,552,889	4,472,086	
Reserve Funds			
Reserve funds (Note 27)	7,477,872	6,157,953	
Reserve fullus (Note 27)		0,137,733	
Equity in Tangible Capital Assets	103,621,802	105,508,266	
Total Accumulated Surplus	\$ 136,430,085	\$ 132,013,311	

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 21 - Annual Budget

Fiscal plan amounts represent the Financial Plan Bylaw adopted by Council on March 5th, 2024.

The Financial Plan anticipated the use of surpluses accumulated in previous years to balance against current year expenses in excess of current year revenues. In addition, the Financial Plan anticipated capital expenses rather than amortization expense.

The following shows how these amounts were combined:

Financial Plan Balance for the year	\$ - ,
Add back:	
Amortization	(4,419,318)
Proceeds from new debt	(17,588,725)
Transfers to/from own funds	(6,558,519)
Less:	
Principal payments on debt	1,174,842
Capital expenditures per budget	52,067,239
Capital Expenditures expensed according to Tangible Capital Asset Policy	 (4,745,376)
Adjusted Annual Surplus	\$ 19,930,143

Note 22 - Ladysmith Harbour Economic Development Corporation

The Town of Ladysmith has an investment in the Ladysmith Harbour Economic Development Corporation (formerly DL 2016 Holdings Corporation or DL 2016), a wholly owned subsidiary company of the Town.

Up until December 31, 2023, the Town of Ladysmith leased portions of its waterfront from the Province of British Columbia parts of which were subleased to the Corporation which entered in an operating and maintenance agreement with Ladysmith Maritime Society (LMS). A portion of the moorage revenues from LMS are owed to the Corporation.

As of December 31, 2023, the Town no longer leases the area from the Province of British Columbia.

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 28 - Segmented Information

The Town is a diversified municipal government institution that provides a wide range of services to its citizens such as roads, water, sewer and drainage infrastructure, fire protection, police protection (RCMP), cemetery, recreation centre, garbage collection and parkland. Distinguishable functional segments have been separately disclosed in the segmented information. The nature of the segments and the activities they encompass are:

General Government Services

General Government provides the administrative and legislative activities that supports Council and the departments of the Town. Also included in General Government Services is the financial planning and reporting, Information Technology, Human Resources, and Waterfront Area Plan Implementation.

Protective Services

Fire protection, includes a full-time Fire Chief and the fire department consists of paid on-call fire fighters who volunteer their service and receive compensating for each callout in which they take part. The fire department oversees a fleet of fire vehicles necessary to respond to calls.

Policing services is provided under contract with the RCMP. The Town is responsible for funding eight of the members within the detachment. The detachment occupies a building located in and owned by the Town of Ladysmith.

Bylaw enforcement administers, monitors, and seeks compliance with the bylaws enacted by the Mayor and Council to regulate the conduct of affairs in the Town of Ladysmith.

Transportation, Solid Waste and Cemetery Services

The Transportation (Public Works) Department is responsible for the infrastructure of the Town. Public works provides and maintains Town's roads, sidewalks, streetlights, signage and line markings, storm drainage and hydrants.

Solid Waste (Public Works) is responsible for the garbage collection, kitchen organics and recycling programs operating in the Town of Ladysmith. Solid waste collection is performed by a contractor.

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 28 - Segmented Information (continued)

Cemetery (Public Works) provides cemetery services including the maintenance of the cemetery grounds.

Development Services

The Development Services Department provides short-term and long-term land use planning services. Long-term Planning includes work with the community on reviewing the Town's Official Community Plan, developing new Neighborhood Plans, the Trail Plan and the review of relevant bylaws. Short term Planning includes the processing of development applications.

Recreation and Cultural Services

The Parks, Recreation and Culture Department contribute to the quality of life and personal wellness of the community through the provision of a variety of special events, programs, services and facilities. The Frank Jameson Community Centre (FJCC) is the location where the majority of the programs are offered. Funding from the regional partially funds the FJCC facility.

Parks Operation Services

Parks includes and provides maintenance of beach area, trails, golf course, spray-park, ball parks, and any other civic grounds.

Water Services

Water includes all of the operating activities related to the treatment and distribution of water throughout the Town as well as ensuring clean and safe water to the Town, supplied through underground pipes and reservoirs,

Sewer Services

Sewer includes all of the operating activities related to the collection and treatment of wastewater (sewage) and bio-solids composting throughout the Town as well as maintaining a separate system of underground pipes to collect sewer or wastewater for proper treatment prior to discharging it.

TOWN OF LADYSMITH

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

Note 29 - Growing Communities Fund

The Province of British Columbia distributed conditional Growing Communities Fund (GCF) grants to communities at the end of March 2023 to help local governments build community infrastructure and amenities to meet the demands of population growth. The GCF provided a one-time total of \$1 billion in grants to all 161 municipalities and 27 regional districts in British Columbia.

The Town of Ladysmith received \$3,406,000 of GCF funding in March 2023. No funds have been used, and the balance accrues interest. The balance at December 31, 2024 was \$3,590,402.

Note 30 - Subsequent Events

As of date of the financial statements, the Town is assessing the impact of any new tariffs on its procurement, and overall financial performance. Management has not yet fully determined the potential effect on future operations but expects the increased tariffs to increase operating and capital expenses.
